Forging the Future

Over the Term break, I was fortunate to participate in an educational leaders' conference in Perth. Social researcher, Mark McCrindle, was among a strong line up of speakers over the four days. As Principals of schools across Australia, we were challenged to ensure that we are preparing our students for a future where the world of work is very different to what it is today. Bernard Salt also presented. He is famous for his editorial piece in *The Australian* popularising the term "smashed avocados". He was able to provide insights into the future which complemented the trends in education presented by Mark McCrindle. The theme of the conference sat well with the St Joseph's College's vision that "We are a School that Prepares for Life".

Final Days

As we move into Term 4, Year 12s are completing their final days of formal classes in VCE, VET and VCAL. Our thoughts and prayers are with the students and their families as they prepare for exams.

College Captains 2020

Congratulations to Max Brasher (11 Prest) and Corey (CJ) Preston (11 Prest) who have been elected as College Captains for 2020. The photo was taken in my office just after each of the boys was invited to take up the position. Further announcements regarding the 2020 Student Leadership Team will be made in the next *Newsletter*.

L-R: Max Brasher and Corey Preston

Enrolment Year 7 2020/2021

If you are aware of any families seeking enrolment for their sons at the College in 2020 or 2021, please encourage them to contact my office to discuss the enrolment process.

Reunion Class of 2009

The Reunion of the Class of 2009 is being held on Wednesday 23 October 6pm-8pm at the College. Please register on line <http://stjosephs.com.au/news-events/>.

Ms Cathy Livingston
Principal

Director of Students

Welcome back to St Joseph's College to all students and families for what promises to be a busy Term 4. It is hard to believe that we are only weeks away from the end of the 2019 school year, with a number of exams and important assessments sitting just on the horizon.

As students return from their break, it is timely to remind everyone of expectations regarding the wearing of the Summer Uniform. Short sleeve shirts with the College logo on the pocket, grey shorts, plain grey socks and black leather or leather like lace up shoes are the compulsory items along with the St Joseph's College back pack. Students may also wear their blazer or jumper if need be but are reminded that it is the blazer or shirt that is expected to be worn as the outer garment as they enter and leave the College grounds each day.

All other uniform rules remain the same as per personal appearance. This means no piercings in the ear or any part of the face will be allowed and students are expected to be clean shaved each day.

Good luck to all students and staff as the transition out of school holiday mode and back into working mode begins.

Mr Liam O'Keefe
Director of Students

Prayer

God of truth and love,
Father Son and Holy Spirit,

Hear our prayer for those who do not know You.

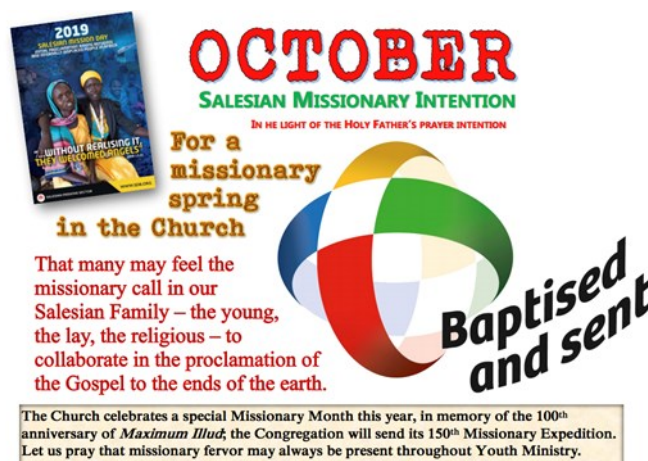

We ask that they may come to a saving knowledge of the truth and that Your Name may be praised among all peoples of the world.

Sustain, inspire and enlighten Your servants who bring them the Gospel.

Bring fresh vigour to wavering faith; sustain our faith when it is still fragile. Continually renew missionary zeal in ourselves and in the Church; raise up new missionaries who will follow You to the ends of the world.

Make us witnesses to Your goodness; full of love, strength and faith – for Your glory and the salvation of the entire world.

– *A Prayer for Missions*

2019
SALESIAN MISSIONARY INTENTION
IN THE LIGHT OF THE HOLY FATHER'S PRAYER INTENTION

OCTOBER
SALESIAN MISSIONARY INTENTION
IN THE LIGHT OF THE HOLY FATHER'S PRAYER INTENTION

For a missionary spring in the Church

That many may feel the missionary call in our Salesian Family – the young, the lay, the religious – to collaborate in the proclamation of the Gospel to the ends of the earth.

Baptised and sent

The Church celebrates a special Missionary Month this year, in memory of the 100th anniversary of *Maximum Illud*, the Congregation will send its 150th Missionary Expedition. Let us pray that missionary fervor may always be present throughout Youth Ministry.

Religious Education

Australian Catholic Youth Festival (ACYF) December 2019 – Perth

<https://youthfestival.catholic.org.au/>

Preparations are underway for 12 of our senior students to attend the Youth Festival in December. Thanks to MS Bronwyn Dean for undertaking the student application process and preparations for this event. We look forward to a great experience in December. This year the Australian Catholic Youth Festival will be held 7-12 December in Perth WA.

Variety Night 2019

Thank you to all those who made it a great night of entertainment at the Annual Combined 'Variety Night' a wonderful time with a great purpose for help CARITAS Australia and its Emergency Relief Appeal.

With the combined efforts of the St Joseph's College and Mater Christi College communities on Friday 13 September, we were able to raise \$1,241.30 to donate to CARITAS.

In my absence, I would like to acknowledge the work of Ms Bronwyn Dean, Ms Sophie Maclure and Mr Domenic Fera for their efforts to organise and run the event with the Student Leaders. Well Done.

St Vincent de Paul Donation 2019

Thanks to all the students and staff who made great contributions to the 2019 Tinnies 4 Vinnies appeal. We were able to donate over 4000 items of food, 1000 items for the op shop and \$1,000 to the Ferntree Gully Conference for their support of the needy in our community.

Sanjiwani Appeal 2019

We received a lovely acknowledgement of our donation to the Appeal this week. We wish Dr Louise good luck with the preparations for the big event in December and know that the small effort we went to will help many in the community of Sanjiwani in Nepal.

Salesian Missions
NEWSLETTER 2019 

Year 8

At the end of last term, three teams from St Joseph's competed in the Victorian Schools Championship. On our first day of competition our Senior and Junior team finished top of their tables and qualified for the State Finals. Our Intermediate team put up a great fight, but unfortunately did not progress to the next round.

With a few slight changes to our Senior Team, bringing in the School Captain Jack Moses into defence and Frankie Trott into the midcourt, our Senior Team was looking formidable. After a long day of tough competition, our Seniors made it into the top four and finals. Versing top of the table, Flinders College, in the preliminary final we unfortunately lost, claiming fourth in the State.

Two days later our Junior team competed. Unfortunately it was a much depleted team, as our squad of 10 was whittled down to 7, losing two key defenders and a shooter to illness. With the aim just to do our best and have fun, the Juniors surprised themselves rising to the challenge and, like the Seniors, made it into the finals at the end of the day. After a stellar effort and an incredible day our Juniors also finished fourth in the state.

While all the St Joseph's teams performed admirably on court over the three days of competition, it was the comments made by umpires and opposition coaches that praised our boys' respectful sportsmanship on the court that was the real highlight.

Ms Jacqui Cooke
Year 8 Leader

Year 8

Term 4 is upon us and a great time for Year 8 students to consolidate their learning. In all subjects students should be taking the time to revise what they have learnt. Ways in which they can do this includes summarising notes, going back over tests and class questions. It is through this revision that their learning will strengthen into the future. Students should not wait for their teachers to ask them to revise. They should begin developing a habit of revising at their own initiative.

There are a number of significant events for students to look forward to in Term 4. Year 8 students will be sitting Semester Tests in English and Mathematics in early to mid November. This will help students develop study skills for future years. Students will also be involved in selecting Year 9 subjects and orientating into the Valdocco program. There will be student and parent information sessions coming up for these which will explain everything and students and parents can ask questions they might have. Both the Year Level leader, Jacqui Cooke and myself have worked at Valdocco and can answer some general questions but the Valdocco staff are the experts on what the 2020 program will involve.

Many Homerooms will complete their Four Seasons Bike Ride in the next few weeks. These are days of great learning where students have the opportunity to learn many bike safety skills which will be valuable not only on Year 9 Expedition but anytime they ride.

Year 8 overnight camp is on in November. Students will be on camp for one night. The night is different depending on what Homeroom they are in. This also give students valuable experience in hiking and abseiling. Students learnt how to pack a backpack, set up a tent and use a Trangia to cook.

As you can see, Term 4 is jam packed with learning for the Year 8s. Welcome back and let's enjoy this exciting term.

Mr Carl Di Stefano
Year 8 Learning Leader

Year 10

Term 4, Study, Exams and Head Start

Importance of Gratitude

Many times the importance of gratitude has been impressed upon people at this school. The Resilience Project and other Resilience surveys and the like make an impact when they are focused on but it is so important to stay on top of that.

When the Resilience Project presented to the school in 2016 it was a very powerful event. They also visited St Joseph's in Boronia in 2017 which I also attended and that is the message of this article. It is easy to fall into the trap of "woe is me" but gratitude is something that helps to get us out of that situation and most of us need constant reminders of how grateful we should be for the good people we are surrounded by, the good opportunities that are made available to us, and all in all just a good situation we find ourselves in to live and to grow.

There are seven scientifically proven benefits of gratitude.

- Gratitude opens the door to more relationships.
- Gratitude improves physical health.
- Gratitude improves psychological health.
- Gratitude enhances empathy and reduces aggression.

- Grateful people sleep better.
- Gratitude improves self-esteem.
- Gratitude increases mental strength.

All of us would benefit from all of this. Reading one of the twenty-one day gratitude journals that are around there are also different activities that are encouraged. The main focus is seeing the world and yourself as positives. There are also actions like calling people you haven't talked to for a while which can make a much bigger impression on someone than we realise. There are big events in Term 4 including exams, reports and finishing school. Being grateful for what you have makes everything better.

Study, Exams, Head Start

For Year 10, we have an exciting Term ahead with examinations starting in Week 7 and in Week 6 for those studying a VCE subject. It is integral that the boys start developing positive study habits early in order to achieve success in their second set of Senior School examinations.

One of the study resources that the boys are encouraged to use is the ARVO Study Program (Afternoon Re-Vision and Organisation). This is a program that you can encourage your sons to attend if you feel that they need a little extra help. This takes place Thursdays after school in Room 12 (3:20pm-4:00pm). Both myself and other Year 10 staff members are there to offer help with English, Mathematics, Religious Education, Science and basic study skills.

The skills and content taught by the teachers this term will be imperative to your son's success in the upcoming exams. Teachers will emphasis on organisational skills, developing positive work habits and creating a positive learning environment throughout the next few weeks.

We wish your son the best with this term!

Mr Tom Fay	Ms Asheigh Fleming
Year 10 Leader	Year 10 Learning Leader

Languages

Hello everyone!

At the moment, Education Perfect is currently running a video making competition, and we would love to have some entries from St. Joseph's!

Here are the main details:

- **End Date:** Monday 11 November.
- **How to submit the video:** Students upload their video through the video competition lesson in the content library (this has been assigned as a task).
- **Languages:** Arabic, Chinese, EAL/ESOL, French, German, Greek, Indonesian, Italian, Japanese, Māori and Spanish.
- **Categories:** Years 3-6, 7 & 8 and 9 & 10.

There are some prizes up for grabs for each category!

If you are interested, please look at the assigned task on Education Perfect, 'Video Making Competition: Student lesson'. There are also materials assigned to help you in 'Video Making competition material'. If you would like to give the competition a go, please let me know!

Happy videoing!

Ms Chiara Giacomuzzi
Languages Leader

Sport

House Swimming Carnival

There was great excitement during the final week of Term 3, with the House Swimming Carnival taking place on the Tuesday at the acclaimed Melbourne Sports and Aquatic Centre (MSAC). The competition-standard Indoor Pool was the perfect setting for this significant full-school event, as the grandstand was filled with the colours of the four competing House teams.

With this event being the final House Carnival for our Year 12 students, it has become in recent years a terrific celebration of sport, House spirit and mateship for these boys. There was as always, many elaborate novelty costumes on display from the senior students, which provided for great entertainment on pool deck.

There was again great action in the pool to keep the spectators engaged. The jam-packed program of approximately 70 events included individual 50m races across all four strokes, along with a number of Medley and Freestyle Relays across each of the age groups. Being an event that encourages maximum participation, it is great to see many students from all year levels with varying swimming abilities competing throughout the day.

All eyes turned to the pool as the marquee race of the day, the Open 50m Freestyle Final got underway. Showcasing the 10 fastest recorded athletes from the heats, this year's final featured students from 5 of the six year levels. With the "Joeys Super Fish" Title up for grabs, it was Year 10 Rua student, Rhys Starr making it back-to-back wins, stopping the clock in an impressive time of 27.69 seconds. A special mention also to Year 7 Rua student, Logan McDonald who finished second, with a time of 28.62.

With all of the results tallied, it was Rua House that were victorious, with House Captains John McLachlan and Ben O'Brien presented with the winning House Shield. Congratulations to Rua House Leaders, Mr Di Donato and Mr Fera, along with all the students and staff from Rua House for being named House Swimming Champions for 2019. Thank you also to all of the students and staff that participated so positively throughout the day, making for an enjoyable event.

ACC Cross Country

The 2019 ACC Cross Country Carnival took place late in Term 3 at Bundoora Park. Ideal conditions greeted the 623 athletes from the 12 competing schools, with the familiar course providing a great challenge for runners, as they navigated their way across one of the highest points in the Melbourne Metropolitan area.

Having claimed back-to-back Division 2 Championships in recent years, our boys were for the first time competing in the Division 1 category at a major ACC Carnival. Despite this significant challenge, our boys embraced the opportunity, competing to the very best of their ability amongst a very strong field.

There were a number of terrific individual performances on the day with U13 runner Mitchell Gamel (9th) and U16 competitor Troy Maggs (8th) both finishing in the Top 10 of Division 1 for their respective age groups. The U13 and U17 teams were our best performed age groups on the day, both finishing in 5th place overall amongst the Division 1 competition.

I would like to acknowledge the tremendous commitment from the 44 students across all year levels that comprised our squad. They represented the school incredibly well, supporting each other to be their best. A special mention also to our Year 12 competitors, for their outstanding dedication to school Cross Country over many years.

Well done boys.

Mr Paul Trubiani
Director of Sport

Music

Music is an incredibly visible and exciting part of the culture at St Joseph's College.

"To me, music is my greatest friend. It's there through all the ups and downs, it's my escape when I need to get away and most importantly, it connects me with other amazing, talented people who share the same love for music as I do."

Benito Seguin (Year 11 O'Mara)

Term 3 was full of excursions, concerts, competitions and assessments. The boys involved in the Music Department have worked hard and represented the College in a positive manner on all occasions.

Variety Night

Variety Night was a sensational evening, combining the talents of students from St Joseph's College and Mater Christi College and raising money for Caritas Australia. Well done to our organising team of students from both schools, organising and planning an entertaining night of performances. It was a fantastic evening and congratulations to all students involved.

VCE Music Performance Evening: (please use photos from photo drive)

On Thursday the 19th of September, our four VCE Music students performed their entire end of year recital to an audience of friends, family, teachers and music lovers. This was a learning activity to prepare the students for their 25 minute VCE Performance Exam worth 50% of their final mark. The students performed well and have pinpointed specific areas that they would like to focus on between now and their exam which takes place in mid October.

Performers:

William Taylor: Flute
Ben Harris: Clarinet
Jamieson Doyle: Clarinet
Benito Seguin: Piano

Student Voice

"At this point, we are focusing on our expression, leadership as a soloist, accuracy of pitch, light and shade and how we present ourselves. We have been working on the pieces for over 8 months. We know the songs, we know the notes and it is now about bringing the songs to life through our own form of story telling." William Taylor (12 Edwards)

ACC Rock Band Competition:

The ACC Rock Band Competition was the final ACC music event for the year. Fifteen students attended vocal, guitar and drumming workshops at CBC St. Kilda. The workshops were led by professional musicians who are currently actively working in the rock music industry. In the afternoon, our band competed in the competition performing a very energetic and entertaining version of a Coldplay classic. Congratulations to all boys involved in the day.

Rock Band: boys who performed in the competition

Guitar and Vocals: Mitch McGregor

Guitar: Ned Godbehere

Drums: Josh Briggs

Bass: Sam Corish

Salesian Youth Retreat

On Saturday 5 October, six students represented the College at the Salesian Youth Retreat run by Fr Chis Ford and the Australian Salesian Youth Community. The retreat took place up at the Lysterfield Retreat Centre and allowed the boys to stop, pause and reflect as well as learning more about the Salesian culture.

A New Group for Year 7s

Year 7 students please join the College Orchestra on Tuesday Lunch Times and Wednesday mornings. We invite all students to join.

St Joseph's College Music Groups

Please come along at the scheduled times

	Monday	Tuesday	Wednesday	Thursday	Friday
Before School		VCE support in the Music House: 8am	College Stage Band 8:45am – 10am Led by Miss Trea Hindley		VCE support in the Music House: 8am
Lunch Time	Barbershop Quartet	Rock Band Led by Miss Maclure Chamber Ensemble Led by Mr Daniel Tedford College Orchestra Led by Mr Giles Warren		Jazz Band Led by Mr Giles Warren	Choir Led by Mr James Ferguson
After School		Year 7 Junior Band Led by Mr Giles Warren			Drumline Led by Mr Dayne Lawless 3:30pm – 4:30pm

If your son is interested in being involved in any of our groups, please do not hesitate to contact me

Ms Bronwyn Dean
bdean@stjosephs.com.au

English

What's on in Term 4?

As we enter the final quarter of the year, it is opportune to reflect on how far our boys have come.

After three terms in the English classroom our students will have not only consolidated but developed many new skills.

In terms of the Victorian Curriculum, our students have moved up another level, but as we know, what they have gained throughout the year is far more exciting and important than that.

Our boys have become better readers, better writers, better thinkers and better communicators. Term four sees our boys preparing for whatever 2020 has in store for them:

For Years 7 to 9, it will be preparing our boys for their next year of schooling. Ensuring they are armed with the ability to be active learners as they begin new courses and tackle new ideas and texts.

For our Year 10s they will be preparing to start their VCE or VCAL journey, or to be suitably equipped to enter the workforce.

For our Year 11s, the boys need to have the necessary skills to survive and thrive in a Year 12 English classroom, where the expectation is high and the competition is fierce.

And finally, our Year 12s are furiously preparing for a three-hour English exam that will influence their study score, ATAR and pathway for 2020, whatever that may be.

But our boys are not quite at their end of this year's journey yet. They still have much more writing, developing of ideas, preparing for assessments and reading ahead of them, as they continue their passage through their last term of the year.

Below is a list of the topics covered at each Year level in English classes:

Year 7: Informative writing and debating.

Year 8: Film as text- students will learn how to analyse film and understanding the different film techniques using *Edward Scissorhands* as the text platform.

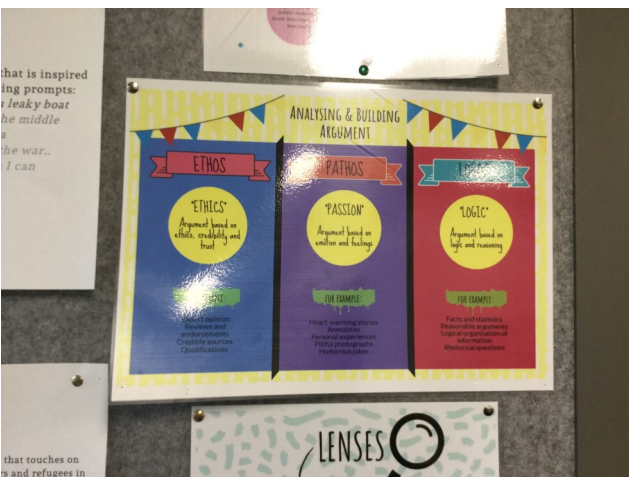

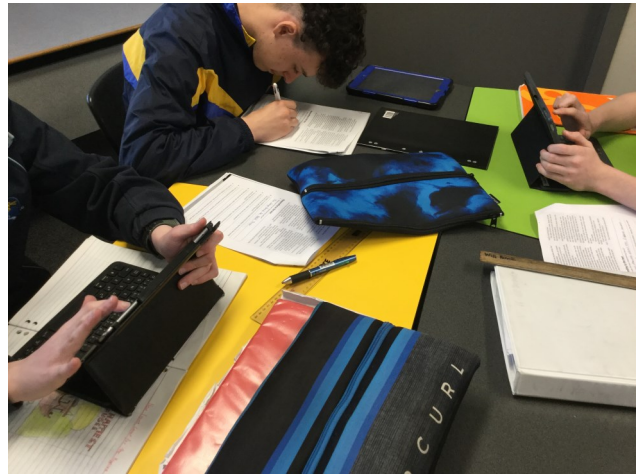

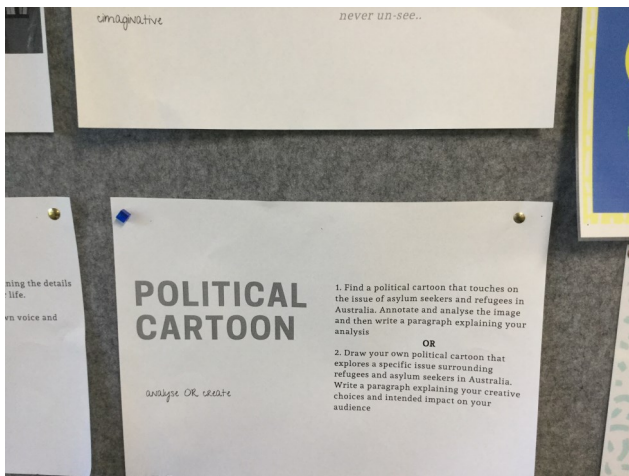

Year 9: Using the texts studied throughout the year, students will look at the unifying themes, issues and ideas and write comparative responses in response to essay topics.

Year 10: Setting up the foundation for the VCE course, students will learn how written and visual language, as well as arguments and argument strategy can impact a particular audience.

Year 11: *Unit 2 Outcome 2: Analysing Argument*. Students will analyse persuasive texts and analyse how argument, written and visual language are used to influence an audience.

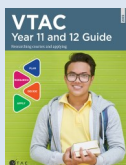

Year 12: Preparation and revision for the upcoming exams. As well as attend classes, students will meet regularly with their teacher to continue to develop their essay writing skills.

Ms Melissa Young
English Leader

MONASH University

Radiation Science (Informatics)

Do you want to improve healthcare through data and technology? Monash is introducing a **Bachelor of Radiation Science (Informatics)** degree in 2020. This *new* degree will provide students with training across medical radiation sciences and information technology, including systems and data management. Students will be prepared for careers in the growing field of health informatics and at the forefront of the next IT-lead breakthrough in health.

Find out more at [Bachelor of Radiation Science \(Informatics\)](#).

News from Deakin University

New Bachelor of Human Resources Management (Psychology)

The *Bachelor of Human Resource Management (Psychology)* will develop a students' understanding of human behaviour, giving them a broader perspective of the challenges faced in HR, while at the same time preparing them for the realities of modern business. This course is particularly beneficial to students who are open to careers in both human resources and psychology. By exploring the human mind in a business context, students will have a significant advantage when performing key functions in their role in human resources (HR), from recruitment and workplace negotiations, to creating high-performance environments.

To learn more visit [Bachelor of Human Resources Management \(Psychology\)](#).

**VICTORIA**
UNIVERSITY**A NEW**
SCHOOL OF
THOUGHTNews from Victoria University

New - Speech and Language Sciences / Master of Speech Pathology

The *new Bachelor of Speech and Language Sciences / Master of Speech Pathology* course combines the practical and theoretical study of communication and swallowing disorders with human development, human rights, and principles of social justice to enable students to graduate as well-rounded practitioners. With plenty of opportunities for practical learning throughout the degree, students will be prepared for work across complex and diverse settings. VCE requirements for entry to this course are –

Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL; Units 3 and 4: a study score of at least 20 in two of Biology, Chemistry, Health and Human Development, any LOTE, any Mathematics, Physics, Psychology, Sociology or Texts and Traditions.

The VTAC code for applying is 4301011051

Find out more at [Bachelor of Speech and Language Sciences / Master of Speech Pathology](#)

A New Pathway to Paramedicine

Due to the popularity of VU's paramedicine courses, a *new* pathway has been created to ensure that students have the best chance of reaching their career goals.

Students can now progress through the following steps to reach a bachelor degree:

Successfully complete [Certificate III in Non-Emergency Patient Transport](#) at our St Albans and Werribee campuses. Applications for this course are open now for a February 2020 start. Admission criteria are a current and valid driver's license (min. probationary) and a literacy and numeracy test.

Apply for [Diploma of Paramedical Sciences](#) for 2020 mid-year intake. With credit obtained from the Certificate III, students will be able to complete the Diploma in 6 months.

Pathway from the Diploma into second year of [Bachelor of Paramedicine](#) at the start of 2021.

Sports Degrees Information Night

Are you keen about a career in sport? At Holmesglen's **Sports Degrees Information Night**, students can learn about its industry-engaged sport degrees. Holmesglen offers the following sport-related degrees:

Bachelor of Sports Media

This degree has been designed to nurture students that aspire to work in the sports media industry. The course has four streams: *sport, media, journalism, and communications*.

Graduates of this course can go on to careers such as –

- sports journalist
- social media coordinator
- sports commentator
- sport television producer
- sports communications co-ordinator

Bachelor of Sport Business

This degree can lead to exciting careers in organisations such as Tennis Victoria, Basketball Victoria, Melbourne Football Club and Melbourne Racing Club.
