Principal

As we move into the new term, Year 12s are completing their final days of formal classes in VCE, VET and VCAL. I am sure you join me in wishing them well for the future.

Mr Guido Piotti led the process for the election of the 2018 College Leaders. The full list is included within the *Newsletter* and the team is pictured below with Mr Nick Wakeling MP and Mr Kim Wells MP. I would like to announce the College Captains for 2018 as William Morrison (11OS) and Jude Islip (11PR).

We welcomed back the Japan Immersion Group. This has been a significant opportunity for students and staff which resulted in developments in language, cultural and historical awareness. I thank Mr Andrew Cooper for his overall leadership being very well-supported by Mrs Vivienne Egan and Mr Graeme Tucker.

I would like to acknowledge Mr Dean Holden for his service to the College over many years and wish him all the best in his new role at Loreto Mandeville Hall, Toorak. Dean has been instrumental in developing our ICT provision within the College.

We pray for Mr Graeme Tucker and his family. Graeme's mother, Lynette Tucker, died recently.

Ms Cathy Livingston
Principal

Deputy Principal – Students

Student Leadership Team 2018

On Wednesday 11 October the members of the Student Leadership Team for 2018 were elected to their positions. With the assistance of our local MLAs, Mr Kim Wells and Mr Nick Wakeling, the elections were held on the floor of the Great Hall of the Legislative Council in State Parliament. This setting, together with the quality of the candidates' speeches, made for a day of inspirational discussion and reflection on leadership.

Each of the boys involved presented fine speeches. While each of the speeches were as diverse as the young men presenting them, there were some common elements. Each of the students spoke well and confidently, each had reflected on leadership and demonstrated a deep understanding of what was required, and each showed a profound love for the College. It was a very difficult task for the 26 students and five staff members to select each leader given the quality of the boys and their presentations.

The Leadership Day at Parliament House was the last phase in a leadership process that began much earlier. Year 11 students were addressed about leadership, had the positions available explained and were taken through the nomination and election process. Next, series of workshops were offered to aspirant leaders, workshops that were well attended despite their being after school. After this, students nominated for leadership, each nomination supported by a fellow student and teacher, and endorsed by the Principal, Ms Cathy Livingston. Following this process, all Year 11 students participated in the Year 11 Retreat, the focus of which was leadership. Finally, all the Year 11 students and the whole of the College staff voted to elect a core group of leaders who attended Parliament House to elect the boys to specific positions.

The Student Leadership Team for 2018 is as follows:

College Captains

Jude Islip

William Morrison

Student Representative Council

SRC President:

Joshua Gaul

SRC Executive:

Matthew Baum

Ewan Gorman

House Captains

Bosco House

Brodie Aughterson

Jay Cornwall

Preparing For Success – How Parents Can Assist Their Sons

Planning ahead is not generally one of those traits boys tend to exhibit in abundance. If it was, revisions of school work would be commonplace and academic excellence all but guaranteed. The reality is that a considerable amount of parenting and teaching time needs to be devoted to encouraging and cajoling our boys to put in the preparation for this success.

Despite the enormity of this task at times, we should never waver from our responsibility to support the boys to develop 'good habits of learning' when it comes to homework and revision. The teenage brain after all is 'under construction' and requires a good-deal of direction.

Parents have a big role to play in developing their son's good 'habits of learning'. Some things they can do include:

- for **Literacy development**: read your son's class texts (novels) and create your own family 'book club' by chatting about the book
- for **Numeracy development**: sit with him on occasion and do some of the tasks with him
- attend parent teacher interviews even if (and, in fact, particularly) if your son is demonstrating 'good practice'
- encourage your son to develop and stick to a study planner (his teachers have shown him how to create one)
- don't let him take short cuts in his learning. The most important indicator for success is actual attendance at school so encourage him to value these opportunities

Preparing For Success – 'Prescribed Reading' in Preparation of the 2018 School Year (Years 10-12)

To assist your sons' Literacy development, students in Year 10 to 12 (2018) are strongly encouraged to read their prescribed novels over the summer break. To facilitate this, the College will provide the Year 10 novels to the current Year 9s during the upcoming HeadStart program. For VCE students (2018), Champion Books provide the opportunity for parents to place **an early order for all English Texts** (including English Literature and English Language). The 'English Booklists' will be available in the upcoming week. All orders for English novels **must be completed online** (www.champion.com.au) **by Monday 30 October**. **Early order books can be collected from the College on Monday 20 November between 8:45am – 9:30am (Room 45).**

Semester Two Exams

Term 4 is a time when 'habits of learning' are assessed. Semester Two Exams commence for Year 12s in less than three weeks (Wednesday, 1 November). Year 11 (Monday, 13 November), Year 9 and 10 exams (Wednesday, 22

November) will start shortly after.

It is never too late to prepare for exams but more importantly, it is never too early!

Students should contact their respective Curriculum Leaders if they require any additional support with study planners and revisions strategies.

Year 7 – 12 (2018) HeadStart Program/Conclusion of 2017 Academic Year

For all our students, preparation for success next year begins this year!

All current students (Years 7-11) will undertake a HeadStart program in Term 4.

The HeadStart program is an opportunity for students to begin to negotiate the transition into the next year of their academic studies. Whilst it is an essential program for all students, providing an opportunity to meet their 2018 classroom teachers (where possible) and be introduced to the learning expectations for 2018, it is particularly vital for students undertaking VCE studies.

Students undertaking Year 12 in 2018 will have two weeks of Year 12 HeadStart (commencing Monday 20 November and concluding Friday 1 December, the final day of school for current Year 11s).

Whilst no VCAA scored assessment will be completed during HeadStart, Unit 3 studies will commence. (Note: Current Year 10 students completing an accelerated Unit 3 / 4 study in 2018 will be provided the opportunity to attend these classes).

HeadStart for Year 11 (2018) will commence at the conclusion of the Year 10 Exams, Tuesday 28 November.

Current Years 7 to 9 students will commence their HeadStart Programs (Year 8 to 10 2018) on Thursday 30 November (following the pupil free Correction Day – Wednesday 29 November). **HeadStart (and the 2017 school-year) concludes for all current Year 7 – 10 students on Friday 8 December at 3.10pm.**

Subject Selection 2018 (Years 10 to 12)

Your son will receive his subject allocations for 2018 in the coming weeks. Wherever possible, he has received his first selections. In some (rare) instances, lack of student numbers or timetable clashes may result in some necessary adjustments to his academic program for 2018. The process of subject selection is a fluid one and I welcome parents to contact your son's current Head of School with any queries or requests. The ideal situation is for your son to start HeadStart in the subjects he is suited to and comfortable with. Minimising movement from one subject to another within a school year is highly preferable for student success. Consequently, the HeadStart program time is the best time to 'tweak' any changes to course selection.

VCE Booklists 2018

VCE Booklists for 2018 will be made available in coming weeks. Champion books continue to be the preferred book supplier for the College.

Year 7 – 10 Booklists

As has been our practice in past years that prescribed texts (including iPad 'apps' and e-texts) are provided to all students as part of the school fee structure. Provision of stationery remains the responsibility of parents. A prescribed stationery list is provided from Champion books in coming weeks. Parents are not compelled to purchase stationery through Champion Book sellers.

Mr Andrew Cooper

Deputy Principal – Teaching and Learning

Prayer

Dear Heavenly Father,

I know it is time for change.

Give me the courage to keep going, for I am afraid to let go.

I believe that when one door closes, another opens, for You are faithful

But I am assured that no matter what, there is one thing that never changes – Jesus Christ who is the same yesterday, today and forever (Heb 13:8)

Thank you for holding on to me, and strengthening me, to face these changes and the challenges in this next part of my life.

In Jesus' name.

Amen

Religious Education

This was my challenge to the community: to be generous in their giving and, over Term 3, reach our target. The challenge is to reach 10,000 items for the St Vincent de Paul society 2017.

As well as the listed items for food and personal items, any donations for the St Vincent de Paul shop will be gratefully accepted by the Society. So how did we go?

Pizza lunches, selling cans of soft drink, guessing lollies in jars, were some of the initiatives that the students used to generate money and bring in donations to the Appeal. With extra challenges from staff – to put in and make a difference in homerooms and bringing in items – St Joseph's community has once again done some outstanding work.

Our Appeal brought in a total of 6,694 donations of food items for St Vincent de Paul and we collected \$5,319.35, a combined tally of 12,013 donations and dollars.

This is a very generous effort and one that surpassed my challenge total. I couldn't be prouder of all our efforts.

We have received acknowledgments of our work from Mrs Jenny Keating, the Conference president of the Ferntree Gully St Vincent de Paul Society, after the collection of all the goods on the last Friday of Term 3.

Dear Ann Maree,

A note of thanks to you and the students for your hard work yesterday with helping us load the cars with the food that the boys donated.

Thank you too for driving the 'Tinnies for Vinnies' appeal over the years as it truly is a mammoth effort by the whole school. The amount of food that the students gathered was amazing – it just keep coming into the rooms where I unpacked the bags! It truly is appreciated as without such cooperation it would not have been possible to serve so many needy families in our area.

*Again, thank you,
Jenny*

We also received a beautiful letter from the Belgrave Conference of the St Vincent de Paul Society – thanking us for our work and generosity. Mrs Maureen Miller, the Secretary of the Conference asked for this to be passed on to families too.

9th October 2017

St Joseph's Regional College
5 Brenock Park FTG 3156
attention Anne Maree Pagon
Director of Religious Education

Dear Anne Maree,

Thank you, on behalf of Belgrave Conference of the Society of St Vincent de Paul, for inspiring the students of St Joseph's College to enthusiastically embrace the 2017 call for 'Tinnies for Vinnies'. Our conference has benefitted from this project in past years and we gratefully acknowledge being given a good share of this year's donations.

We commend the students' efforts to thoughtfully supply both food and other items for those who call us in their time of need. It is our privilege to visit these single people and families and to pass on the College Community's generous gifts. When some of our conference members were collecting the donated items they were impressed by the eager assistance the boys provided with carting them and loading them into car boots.

I'm sure we all hope that involvement in these experiences help our young people to appreciate their own good fortune and indeed, as today's members of the St Vincent de Paul Society are ageing, we pray that some of our young men and women will be inspired to become involved in the Society's "good works" in the future. Thank you for making the students of St Joseph's College aware of the work undertaken by Vincentians.

Please pass on our appreciation to the boys and their families.

Sincerely,

Maureen Miller (Secretary) pp Dennis Griffin (Conference President)

Maureen Miller

Oscar Woodward (7 O'Mara) won "guess the lollies in the Jar" competition – with the closest guess of 201 lollies (202 actually in jar).

Year 7

Year 7 MOST WANTED

Last term the Year 7s participated in a cohort wide competition focusing on improving their literacy skills in English. Whilst studying the novel *Black Snake: The Daring of Ned Kelly* by Carole Wilkinson, the students completed a range of activities in an attempt to gain the most WANTED POINTS.

Each week these points were tallied and the top ten were uploaded on the website and leaderboard in Becchi. This would entice and motivate students to work a little harder the following week in order to see their name appear on the infamous list.

To gain the most WANTED POINTS the student had to demonstrate the following in each task: a high level of literacy skills, effort, creativity and presentation.

Now that the term is over, the final list awaits announcement.

MOST WANTED 2017

1 st Cameron T Lee	(7 Ledda)	365 points
2 nd Stephen Lawrence	(7 O'Sullivan)	315 points
3 rd Hayden Zull	(7 Cantamessa)	283 points
4 th Julian Hochholzer	(7 Edwards)	280 points
5 th Alexander Tektonopoulos	(7 Prest)	265 points
6 th Ishaan Nagrath	(7 O'Mara)	257 points
7 th Clay Tucker	(7 Cantamessa)	251 points
8 th Daniel Belvedere-Bain	(7 Ledda)	250 points
9 th Charlie Stevic	(7 Cantamessa)	239 points
10 th Ryan Saraw	(7 Cantamessa)	238 Points

Well done boys!

Ms Melissa Young and Mr Dylan Price
Year 7 Curriculum Leader and Coordinator

Year 8

Year 8 Guest Speaker

"On Friday 13 October, all Year 8 Homerooms had the opportunity to have guest speaker, Daniel Cocker from the Odyssey Program, come and talk about problems in this current generation of people (domestic violence, aggression and much more). Every Homeroom walked up to the Year 9 campus, Valdocco, for this special assembly. Daniel had us engaged by showing us entertaining, but meaningful, videos of how we see other people act when we are being sexist, racist, etc. Daniel had also involved us in how we see masculinity and what people want in a relationship. Overall I thank Daniel for coming out to teach us about how we can help our generation." Sebastian Brotto (8 Ledda)

"Dan Cocker gave a brilliant presentation about the problems riddled in society. He was inspiring, and gave everyone who listened a new and fresh look on topics like Racism, Sexism, Bullying, Masculinity and Domestic Violence. However, he didn't just speak. He showed us well planned videos and thought-out activities that focused mainly on human reactions, like showing us how the way we react can impact an entire person's life. Dan made it his job to ensure all of us left with the smarts and understanding of the world around us that we needed, and he definitely succeeded in doing so." Lochlan Gibbons-Tighe (8 Ledda)

This is the second year we have been lucky enough to have Dan speak to our Year 8s. His ability to tackle difficult topics in an engaging and respectful manner is a pleasure to watch. It was a fantastic way to finish the Respectful Relationship program and for the Year 8s to cement their understanding of values presented in the program.

Miss Jacqui Cooke
Year 8 Coordinator

Valdocco

My City Parent Tours

The last day of Term 3 seems a long time ago now. Term 3 is challenging for many reasons but at Valdocco it always ends on a high note. As is tradition, parents were invited to the city to undertake tours that their sons had created.

So on Friday 22 September, on the most perfect day of weather ever, almost every student had at least one parent with them for their tour. These tours are based around food, clothes, landmarks, sport and any other theme the boys want to come up with.

Parent feedback was excellent as it always is. Some parents had to visit a few more chip shops than they

would usually, others are thankful their son chose chocolate, whereas others travelled the city high and low to get to the various locations.

Everyone at Valdocco would like to thank parents who made the effort to spend the day with their sons. It is completely understandable that some parents could not make it (getting a Friday off is not easy for most of us), so thanks again to everyone who supports their child's education regardless of your attendance on that day.

My Market

My City is completed with the Year 9 trip to the Queen Victoria Market on Friday 20 October. This trip should provide a lot of inspiration leading into the Valdocco Market Day on Friday 10 November (Melbourne Cup week). Every year there are some standard items that do really well but with two student teachers who will be at the school for almost three months by then, along with the two new-to-Market-Day teachers, Mr Bucalossi and Mrs Karafilis, and of course the 200 Year 9 students, almost all of whom have experience the day twice before, the Market Day is perhaps the highlight of the year.

There are many questions. Will the weather look after us and zooper doopers rule the roost? Will the weather turn nasty and send customers for a warmer treat? Will there be someone like Declan Little who last year became the master of the Craft stall? Who will dress up the best?

Which students will stand out from the pack and make this day their own?

It is all to come. One year a few boys suggested making brownies, and so they did. To be honest, the likelihood of success seemed low, and then they sold out in 30 minutes. The practical experience of the day is very powerful: working together; having to cover the shift of a mate when they get caught up doing something else; when something burns; or when you can't find the right cable. The greatest idea might not work well and the ordinary idea takes over the market. We will see you there.

Out and about

Holidays are a good time to reflect and get away. On the first Monday of the holidays I found myself in Coles at Cowes, Phillip Island. Walking down an aisle I recognised three familiar faces who recognised me. It is funny how you can walk around Upwey or Knox City or Boronia and not see any St Joseph's people, but go to Phillip Island and you only last until the first shop you go into. To the Year 10 students, Nathan Hare, Mitch Mellis and Camron Pritchard, thanks for saying hi and I hope the ordinary weather didn't dampen your trip. Last year in January I ran into another Year 10, Mitch Woodcock, in Warrnambool. It's nice to get away, but probably nicer to run into people you know.

Mr Tom Fay
Year 9 Coordinator

Senior School

What St Joseph's Means to Me?

As I type this newsletter article our Year 12 students have a matter of days left as students here at St Joseph's. This marks a significant time in the lives of these young men as for the last 13 years, for most of their lives, they have been going to school each day, and that journey is about to end. I asked a few of our soon-to-be-graduating class of 2017 what going to St Joseph's has meant to them. It quickly became clear that we have been lucky to have these boys as part of the furniture for the last six years, and I think they have been lucky to be here as well. Having walked the journey with this group as Year 10 and Year 11 Coordinator and now as Head of Senior School it fills me with pride to be able to share some of their thoughts:

“The College has given me an opportunity to develop academically as well as be part of a broader community.”

Nick Beare (12 Cantamessa)

“St Joseph’s is a community in which students can learn, grow and connect with each other.”

Brian Fahad (12 Chambers)

“St Joseph’s has always provided me with a sense of comfort and belonging, especially in the VCE years where the concept of teamwork is fundamental.”

Brodie Eccles (12 Cantamessa)

“Joeys to me is a genuine tight-knit community, it may sound corny but it has given me the opportunity to travel, make friends and build bonds that I won’t forget. This cohort specifically is a special one in my opinion, as it seems to me that it is particularly close and has been tested by hardship and tragedy and has stuck together through it all. This to me is something that I’ll never forget.”

Liam McKernan (12 Prest)

“Being a student of St Joseph’s College has allowed me to maintain a good commitment to both building friendships and achieving my studies. The College has provided me with the privileges of maintaining a flexible balance in my academics through their offerings.”

Daniel Modica (12 Edwards)

Mr Liam O’Keefe

Head of Senior School

Year 12

Year 12 News

The Year 12s of 2017 have almost finished their final classes at the College and indeed of their secondary education. These past few weeks have provided VCE students with an opportunity to consolidate studies through trial exam papers, VCAA Assessors reports, extra teacher assistance and revision programs at universities and here at the College. It is a very busy time for the boys as they prepare for their final examinations, but they have proved that they are up to the challenge.

Over the study break the VCE Year 12s completed trial exams under the conditions set by the VCAA as well as a number of classes run by senior staff. I would personally like to congratulate the boys on their commitment to their studies at this time, along with their teachers, and for giving up numerous hours of their holidays.

The VCAL cohort have been busily working on a building project at St Simon’s Primary School. They have shown to be a mature, well-organised group of young men ready to take on life challenges post schooling. I’m extremely excited about what life holds for these future tradesmen.

On Tuesday 24 October the College community came together to celebrate the Class of 2017 at our Graduation Mass and Assembly. At the conclusion of the event we will hold a morning tea for Year 12 parents to attend.

I wish our boys all the very best for their upcoming exams and hope that they remember that hard work over the next few weeks will pay off and, no matter what the outcome, to be proud of their achievements.

Mr Matt Dunn

Year 12 Coordinator

Sport

Junior Basketball State Runners Up

Congratulations to our Junior Basketball Team who recently finished runners up in the Champions Cup, Victoria's Elite Secondary Schools State Basketball Tournament.

Having progressed through the initial stages of the invitational tournament with a number of impressive victories, which included wins over Rowville Sports Academy, St Patrick's College Ballarat and Camberwell Grammar, the boys took great confidence into the Grand Final match-up with Albert Park College. The boys demonstrated a

great display of team basketball, lead strongly by Harry Johnson (25 points and Koby Bland (18 points). In a closely contested game where the margin remained close for the duration with a number of lead changes, it was Albert Park that prevailed, 60-55.

Well done boys and we look forward to seeing you compete in the Australian Schools Basketball Championships later this term.

Mr Paul Trubiani
Head of Sport

Harry Johnson (8 Ledda)
Dylan Naranpanawa (8 Ledda)
Joshua Briginshaw (8 Ledda)
Mac Andrew (8 Edwards)
Jordan Nuku (9 Prest)
Koby Bland (9 O'Sullivan)
Joseph Murphy (9 Ledda)
Kyle Giovanniello (7 Cantamessa)
Harvey Meyer (7 Ledda)

Congratulations Jaidyn

Congratulations to Year 12 student Jaidyn Stephenson (12 Chambers) who, at a recent Whole School Assembly, was presented with the Pierre de Coubertin Award. This prestigious award is named after the founder of the modern Olympic Games and conducted by the Victoria Olympic Council. The award aims to recognise senior secondary students across Victoria who demonstrate values which are consistent with the Olympic Movement through participation in sporting activities. Jaidyn has been an outstanding representative in Sport and Physical Education throughout his time at the College. Along with his many achievements, he has always competed with great sportsmanship, consistently displaying and embracing the Olympic values. Jaidyn has been an exemplary role model for his peers, for not only his sporting excellence and leadership but for the way he has been able to balance his academic studies with his extensive sporting commitments.

Well done Jaidyn.

Mr Paul Trubiani
Head of Sport

Music

Learning an Instrument at St Joseph's College

Private Instrumental Lessons began at the start of Week 2. During this time, students and parents were notified by their Instrumental Teacher of the day and time of their first lesson.

It is not too late to sign up: if your son is interested in learning an instrument at the College then please fill in a Music Form and hand it in to Student Reception.

If you have any questions please do not hesitate to contact me via bdean@stjosephs.com.au or 9758 2000.

Miss Bronwyn Dean

French Horn	Violin	Trumpet	Tuba

Last Two Weeks of Term 3

Term 3 was full of excursions, concerts, competitions and assessments. The boys involved in the music department have worked hard and represented the College in a positive manner on all these occasions. In Week 9, Variety Night, an annual combined concert with Mater Christi College took place and was an opportunity for the students from both schools to perform a piece of their choice purely for entertainment. It was a fantastic evening and congratulations to all students involved.

The last week of term involved three major events; a Lunch Time Concert, a VCE Music Performance Evening and an ACC Rock Band excursion.

Lunch Time Concert:

Congratulations to all students who performed in our last Lunch Time Concert for the term. We had six performers including our Drum Teacher, Mr Dayne Lawless. A special mention to Adam Ladell (12 Chambers), who performed in his last Lunch Time Concert as a St. Joseph's student.

Performers:

Jamieson Doyle (10 Chambers):	Clarinet
Sev Dixon (8 Cantamessa):	Piano
Benjamin Harris (10 Ledda):	Clarinet
Adam Ladell:	Voice
Teikarawa Tekinene (11 O'Sullivan) and Obenen Tekeraoi (11 O'Mara):	Guitar and Voice
Dayne Lawless:	Drums

VCE Music Performance Evening:

On Thursday 22 September, Luke Morton (11 Cantamessa) and Dylan Richards (11 Chambers) from the Year 12 VCE Music Class performed their entire end of year recital to an audience of friends, family, teachers and music lovers. This was a learning activity to prepare the students for their 25 minute VCE Performance Exam worth 50% of their final mark. The students performed well and have pin pointed specific areas that they would like to focus on between now and their exam which takes place in mid October.

Student voice

“At this point, we are focusing on our expression, leadership as a soloist, accuracy of pitch, light and shade and how we present ourselves. We have been working on the pieces for over eight months and in some cases since the beginning of last year. We know the songs, we know the notes and it is now about bringing the songs to life through our own form of story telling.”

Luke Morton (11 Cantamessa)

ACC Rock Band Competition:

The ACC Rock Band Competition was the final ACC music event for the year. Fifteen students attended vocal, guitar and drumming workshops at CBC St Kilda. The workshops were led by professional musicians who are currently actively working in the rock music industry. In the afternoon, our band competed in the competition performing a very energetic and entertaining version of a Coldplay classic. Congratulations to all boys involved in the day.

Rock Band: boys who performed in the competition

Sev Dixon (8 Cantamessa): Piano

Josh Hardman (8 Edwards): Lead Guitar

Joel David (11 O'Mara): Drums

Thomas Hurley (8 Cantamesa), Teikarawa Tekinene (11 O'Sullivan) and Obenen Tekeraoi (11 O'Mara):
Vocalists

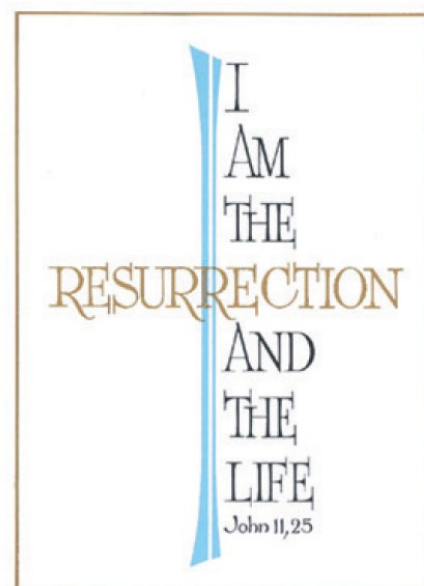

Community

Mass for Deceased Past Pupils and Staff

Thursday 2 November 2017

7pm in the St Joseph's College Chapel

The service will be followed by supper in the Staff Lounge

CAMBODIA TRIVIA NIGHT 2017

In aid of Don Bosco Technical School, Phnom Penh, Cambodia

Cambodia Trivia Night is back in 2017! In the past we've raised over \$10,000 to support this incredible school and this year we are hoping to build on that amazing effort. We wish to raise the profile of this brilliant school that educates hundreds of students every year, giving them qualifications that allow them to support their families and local communities.

Come to our trivia night for a special evening of trivia, games, music, prizes and stories. All money raised on the night will go to Don Bosco Technical School, Phnom Penh.

When: Friday 17th November 2017

Where: Sts Peter and Paul Parish Hall, 377 Dorcas St, South Melbourne

Time: Entertainment and meals begin at 6pm, trivia starts 7pm SHARP!!

Cost: \$15 per person

What to bring: Money for the raffle and silent auction, and nibbles for your table

Extras: Meals \$15 (pre-purchase only) and wine, beer and soft drinks will be provided at bar prices

Tickets: Tickets and Meals can only be pre-purchased on-line

All bookings and enquiries can be made at www.cagliero.org.au/index.php/trivia-night.html
