Prayer

Lord, you call us by name and you call us to holiness, as you did St Joseph and St John Bosco.

We ask you to fill us with your spirit so that we, too, may reflect the life of your Son in our thoughts, attitude, words and actions.

Let us grow more aware of your presence in our lives and empower us to bring the good news of your love and salvation to all those you have entrusted to us, so that we may all become good Christians and honest citizens.

Amen.

Principal's Welcome

Section 1 of 5

Application to undertake the VCE Vocational Major (for Year 11, 2026)

The VCE Vocational Major (VCE VM) is a vocational and applied learning program within the VCE designed to be completed over a minimum of two years. The VCE VM will give students greater choice and flexibility to pursue their strengths and interests and develop the skills and capabilities needed to succeed in further education, work and life.

The VCE VM prepares students to move into apprenticeships, traineeships, further education and training, university (via non-ATAR pathways) or directly into the workforce.

The purpose of the VCE VM is to provide students with the best opportunity to achieve their personal goals and aspirations in a rapidly changing world by:

- equipping them with the skills, knowledge, values and capabilities to be active and informed citizens, lifelong learners and confident and creative individuals; and
- empowering them to make informed decisions about the next stages of their lives through real life workplace experiences.

To be eligible to receive the VCE VM, students must satisfactorily complete a minimum of 16 units (across Year 11 and 12), including a minimum of:

- 3 VCE VM Literacy or VCE English units (including a Unit 3–4 sequence)
- 2 VCE VM Numeracy or VCE Mathematics units (most students will complete 4 units)
- 2 VCE VM Work Related Skills units (most students will complete 4 units)
- 2 VCE VM Personal Development Skills units, and
- 2 VET credits at Certificate II level or above (180 nominal hours)

Students must also complete a minimum of three other Unit 3–4 sequences as part of their program.

In addition, VCE VM students participate in the College's Religious Education and Faith Development programs.

Please note the following:

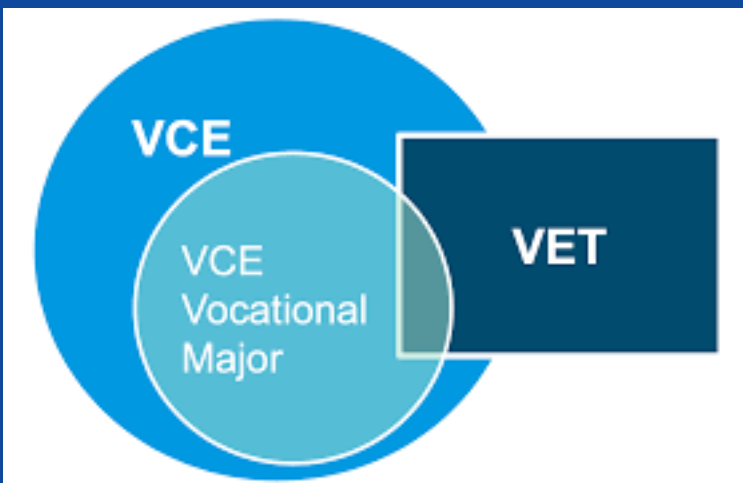

- St Joseph's College cannot guarantee selection or enrolment in any VET studies for 2026. Students should complete an Application to undertake a VET Study form in addition to this form.
- Students will be required to attend any compulsory orientation/enrolment sessions for the VCE VM Program. Details will be provided to students in advance of the session.
- An interview may be required to finalise your application.

Instructions:

This form is to be completed by students who wish to undertake the VCE VM (Year 11) in 2026.

Subject Selection Handbooks

The Subject Selection Handbooks are designed to assist Students in their selection of subjects for the 2026 School Year.

The College recommends that Students take the time to read these Handbooks carefully and consult with their Parent/Guardians, the Learning Team at the College and other key Staff, as they develop their understanding of the different courses being offered at St Joseph's in 2026.

Over the next few weeks, Students will have many opportunities (including Subject Consultation Days) to discover more about each Subject, and the various Pathways available to them, in order to make informed decisions about which courses to choose for next year.
